

SUDHAMA NUT BOLT HOUSE

PRODUCT CATALOGUE 2022-23

About **Subhama Nut Bolt House**

“**Subhama Nut Bolt House**” is a well-known company that manufactures, supplies, and exports a comprehensive range of Nuts, Bolts, and Fasteners. Fastening Screws, Hexagon Nuts, Lock Nuts, and other items are among the products we offer. These items are made with high-quality raw materials such as Hastelloy, Monel, Inconel, Titanium, Duplex that are sourced from reputable vendors in the market.

Bolts, screws, nuts, washers, threaded rods, anchor fasteners, forgings, anchors, socket screws, machine screws, self-tapping screws, and other fasteners are among the items we stock. For improved supply chain management, we have a team of professionals and talented workers for each department, from raw material procurement to finished product inspection, inventory management to sales and services. This allows us to provide the best product quality and quick service to our clients.
